Culross and Torryburn Parish

Founded in 1217 the church is 800 years old this year

With the help of SCART we are organising several events throughout the year, including choirs, concerts, exhibitions, pilgrimage walks and talks and a special service by the Moderator of the Church of Scotland.

The first of these is a concert of choirs from several schools on 15th March

All further details will be advertised.

The Abbey has been the Parish Church for many years and serves the community as well as those from other parishes and countries who wish to get married in the ideal setting. Many of those who have been baptized in the Abbey return with their children to have them "done".

There is a service every Sunday at 11 am. all are welcome.

The Abbey is a wonderful asset for the village as it attracts thousands of visitors each year.

SCART also organises a tearoom beside the Abbey which will open in May this year serving all sorts of home baking, again, look out for the adverts.
